

The Nidderdale Plus Partnership is a **not for profit** organisation and charity, run by a Board of Trustees of local people.

We run a **Community Hub** for Nidderdale, including a community Transport scheme & community-run library. These provide us with opportunities for improving public access to learning and support (with increased opening hours) and meeting the needs of the most vulnerable within our communities.

We provide opportunities for **volunteering** within Partnership Office (and in the Transport service, as drivers) enabling more individuals to make a positive contribution to community life, whilst improving their skills and knowledge.

The Board of Nidderdale Plus recently agreed to the establishment of a subsidiary company, Nidderdale Limited, to run some of our more commercial services, including tourism and business services.
